How to Declare a Minor in Political Science:

- Students should meet with Professor Susan Wiley during her office hours posted here: [http://departments.columbian.gwu.edu/politicalscience/people/221](http://departments.columbian.gwu.edu/politicalscience/people/221)
- Students do not need to bring a Declaration of Major/Minor form as Professor Wiley has pre-filled out forms.
- During the visit, Professor Wiley will review course requirements and will sign the completed form.
- Students should submit the completed form to Phillips 107.

CCAS major/minor checklists are intended for planning purposes only. As the requirements for majors sometimes change, please verify your major requirements with an advisor in the relevant department. These checklists are valid for students who declared during the **13–14** academic year. If you declared your major during a different year, please consult that year’s University Bulletin to confirm your major requirements.
